Report on alien abductions and the Thought Screen Helmet by inventor Michael Menkin

He says it works! Michael Menkin says if you wear the Thought Screen Helmet you will not be abducted. It blocks, he says, alien transmissions to the brain. This dedicated man provides a Thought Screen Helmet free to any abductee who will wear it.

Accepting the weirdness coming through dimensional openings: Hunt for the Skinwalker By John Carpenter

How are we going to tell the public just how weird the UFO phenomenon is? And it all came together at a beautiful Utah ranch where the sky seemed to open to another dimension.

Is Bill Holden a free man? By Elaine Douglass

Why did the US government go out of its way to make one 22-year-old sergeant aware of the deepest secrets of the UFO cover up? Were they carrying out experiments on an abductee?

Don't believe it! By Elaine Bickle

The author's adventures with true believers, debunkers and the clinically insane, and how she woke one morning to find surgery had been performed on her during the night.

An important new book explains, interprets the alien presence!

Canadian experimenter and author Jim Moroney is Dir., Alberta UFO Study Group and UFO researcher for more than 20 years. The New Bridge answers burning questions: Why are the Visitors here? How should we respond?

Says Jim, "Our collective actions have taken humanity to the brink of global disaster and made a rapid intervention necessary. . .the Visitors are here to help us through this crisis."

"We must tell our Governments we've had it with this lack of answers. We demand to be told the truth! — everything known to date about the UFO presence."
